Dear Haocheng Ren:

Congratulations! It is with great pleasure that I offer you admission to the CIS Summer Program – Combine Session.

Your thoughtful application and exceptional performance during the interview convinced us that you have the talent to flourish at CIS. Your academic excellence, intellectual energy and genuine passion reflect the values we expect in our students. We are thrilled to welcome you to the CIS community and look forward to the unique and extraordinary contributions you will make to the intellectual as well as the extracurricular life of our program.

To begin the road to academic success and ensure a smooth experience, there are a few steps you need to complete in order to become officially enrolled as a CIS student.

Verify your program information:

Matched Projects 1: **Planning for Autonomous Robots**

Professors: **Nick Hawes**

Commence date: **July,11th,2020**

Once again, on behalf of the faculty and staff of CIS Academic Research Program, I extend my congratulation on this accomplishment and welcome you to the CIS family. Get ready for an enriching and unforgettable experience.

Sincerely,

Director of CIS Academic Office
